Credits

- I made these printables using google slides, images from pixabay.com, digital paper from [Print Candee](http://PrintCandee.com), and clip art from [Whimsy Clips](http://WhimsyClips.com), [My Cute Graphics](http://MyCuteGraphics.com) and [RebeccaB Designs](http://RebeccaBDesigns.com). Thank you to the photographers and graphic artists who make their work available.

-
- I made these digraph word lists as part of a study of digraphs and blends. The lists can also be used to discuss the long 'e' and short 'e' vowel sounds and to introduce CVVC words such as, *cheese*, *sheep*, and *teeth*.
